United Kingdom Right to Work: High Potential Individual Visa (no sponsorship needed)

Social media and content marketer who builds audiences from zero: took a technology startup's Threads account from launch to 30,000+ followers in under a year, ran its TikTok to 1.89 million views from a 762-follower account, and lifted beta sign-up conversion tenfold by testing hooks and calls to action against weekly data. Shoots and edits phone-first content, writes captions that travel, and builds AI-assisted content workflows. Portfolio: almontaserahmed.github.io/almontaser-ahmed

WORK EXPERIENCE

Sprout Technology Inc.

August 2025 – July 2026

Marketing Intern – Growth and Social Media

Shanghai, China

- **Community and Audience Growth:** built and ran the company's Threads account from launch to 30,000+ followers in under a year through daily posting, replies, and engagement-loop tactics; managed the TikTok account in parallel.
- **Short-Form Content:** scripted, shot on phone, and edited short-form posts for Threads and TikTok, writing hooks and captions and testing formats and posting times against weekly data.
- **Installs:** social content was the app's main acquisition channel, with 10,000+ app downloads attributed to Threads and TikTok.
- **Conversion Optimisation:** delivered a tenfold increase in beta sign-up conversion by iterating content and calls to action against weekly performance data.

British Arab Commercial Bank

July 2024 – August 2024

Front Office – Business Development Intern

London, United Kingdom

- **Business-to-Business Outreach:** led corporate outreach to import and export firms across the Middle East, North Africa, and other emerging markets, qualifying leads for relationship managers.
- **Go-to-Market Project:** led the intern cohort's eight-week expansion project and presented a market-entry roadmap to the Executive Committee.

Alrage Alhadeth

June 2022 – August 2022

Sales Associate and Technical Support

Tripoli, Libya

- **Customer-Facing Sales and Support:** sold and supported refurbished hardware and handled customer questions; installed and configured point-of-sale software for retail clients.
